

Clapham & Clapham Park Montessori LLP

We are looking for a qualified or student Montessori guide to join our experienced Children's House team from January 2024. Full days or part-time available. We would also be happy to hear from applicants who have completed the 3-6 Orientation course.

Our well-established (over 30 years), popular Montessori schools are open during term-time, ME(UK) accredited and have wonderful permanent classrooms.

An excellent opportunity for an enthusiastic and passionate Montessorian!

We also have part-time opportunities available in our very popular Montessori Infant Community, with possible Children's House options.

We look forward to hearing from you!
