An interest in child development and education is essential. Qualified Montessori teacher or qualified Montessori assistants preferable. We are willing to consider all candidates for the right fit. Further training available, full support, training & uniform provided.

1 or 2 mornings a week – times vary per day, but most classes begin around 9:30am and run hourly to lunchtime. Term time only.

Starting rate - £20 per class.

Successful applicants will be contracted on a self-employed/contractor basis.
