

It's not just another job advert. It's a Small World Montessori advert!

Imagine if you can, going into work each day, greeted by the children, so happy to see you. Well let's be honest, that's not always the case, but if you can comfort and help them to feel secure, you'll be doing a good job. Can you?

Luckily the staff will greet you with a smile, not just because they are happy to see you, but it means more help in the rooms.

If you can see yourself spending your day playing, teaching and most probably learning too, with the children, then why not apply today? You never know it might just be the best decision you've ever made. The Montessori way is not just for Christmas, it sets the children up for life, giving them the confidence in their own abilities. What an amazing gift to give.

Apply now- it might just be the best decision you've ever made 😊
