

Willow Montessori is a new resource for families in Glasgow and surrounding areas. We offer weekly playgroup sessions, Monday to Wednesday, for children and their caregivers and are excited to be adding a French/Spanish immersion class to our roster.

Founded in April 2023 by two Montessori guides, Willow is a warm and friendly space where families can learn more about child development and experience Montessori practice in a calm and caring environment.

The playgroups were born of the desire to bring Montessori philosophy to families in Glasgow.

Willow Montessori aims to be a collaborative force in Scottish Montessori and is developing as a hub for interested people, our next event is Fri, 15 Sep 2023 18:00 - 19:00 BST

At present, we are seeking a 0 to 3 guide, qualified or in-training. This unpaid position offers an opportunity to develop your practice while supporting caregivers. We are flexible in our approach and would love to hear what you can bring to our playgroup sessions.

If you are interested in joining our team, please email us at:
