Thank you so much for considering serving on our General Purposes Committee. This unpaid role is a valuable contribution to Montessori education in the UK and is renewable each year at our Annual General Meeting. On page 2 you will find information on our history and purpose.

In our search for candidates we aim to ensure as many regions of the UK as possible are represented. Being an AMI diploma holder will meet the requirements of our Committee's constitution however we are particularly seeking diploma holders (of any Montessori training) from the northern regions of the UK to help us further our aim of social change through authentic Montessori education.

Whole Committee meetings are held online three or four times a year. In addition, smaller meetings may be held when arranging events, for example.

We are committed to building a team that is diverse and inclusive and specifically seek individuals who represent differing backgrounds, perspectives, and skills. The Montessori Society is committed to being an anti-bias, anti-racist and equitable organisation working collaboratively to extend Dr. Montessori's philosophies to the widest audience.

If you would like to apply or nominate someone, please submit the following:

- a letter of introduction
